

# Antonio Sansotta

Full-stack Developer

## SUMMARY

Creative, detail-oriented, full-stack web developer with a deep interest in the MERN stack and SSR applications. Proven track record of creating and implementing successful full-stack applications. Looking to bring my skills to a tech company developing interesting things.

## WORK EXPERIENCE

### Software Developer at 100devs | Remote

January 2022 — Present

- Collaborated with developers to build MERN stack web applications using best practices such as SOLID and Agile
- Built custom APIs in Node/Express and Sass-customized React frontends
- Created dozens of web applications using core languages and tools such as HTML, JS, Sass, Node, Express, MongoDB, and React.

### RECENT PROJECTS:

- [!\[\]\(e40bb48ad1470e3a14017c64c5673877\_img.jpg\) Ready Up - Online Game Library \(Full-stack Web App\)](#) – Users register using a custom Express & JWT authentication process. Web API-based search to find and add games to a MongoDB database. Built using React, Node/Express, Sass, and MongoDB
- **Clutchd - Car Enthusiast Website (E-commerce, Full-stack Website)** - Static website with a full-stack element for e-commerce, user authentication, and a custom-built CMS solution. Built using Next, Tailwind, Node/Express, GraphQL and MongoDB

### Fullstack Software Developer for Clutchd | Freelance

May 2022 — Present

- Built using Next, Node/Express, Tailwind, and MongoDB
- Incorporates a custom CMS solution and authentication

### ERP Management/Technical Consultant at TECCWEB | Remote

March 2019 — March 2022

- Created predominately SQL-based, database-linked custom reporting tools, reports, dashboards, and financial assistance tools for dozens of clients
- Conducted Epicor (ERP) product software installation, customization, training, and support for mid-large sized companies across North America

### Other Related Experience

Financial Analyst / ERP Administrator (SQL) - Centoco Plastics Ltd. Oct. 2016 - Mar. 2019

Counter Intelligence Agent - Best Buy Canada - Apr 2016 - Mar 2017

Technical Support Technician - University of Windsor - Jan 2014 - Apr 2016
